APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the place of use of a portion of the waters of Steptoe Creek as heretofore granted by the Seventh Judicial District Court in the Decree entitled "In the Matter of the Determination of the Relative Rights in and to the Waters of Steptoe Creek and Tributaries in the County of White Pine, State of Nevada", and dated November 6, 1935, is issued subject to the terms and conditions imposed in said Decree and with the understanding that no other rights on the source will be affected by the change proposed herein. A substantial headgate and weir must be installed at or near the point of diversion to facilitate the control and measurement of water. The State retains the right to regulate the use of the water under this proposed change at any and all times.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.62 cubic foot per second.

Actual construction work shall begin on or before May 17, 1950.

Proof of commencement of work shall be filed before June 17, 1950.

Work must be prosecuted with reasonable diligence and be completed on or before May 17, 1951.

Proof of completion of work shall be filed before June 17, 1951.

Application of water to beneficial use shall be made on or before

May 17, 1952. Proof of the application of water to beneficial use must be filed with State Engineer on or before June 17, 1952.

Proof of commencement of work filed MAY 23 1951

Proof of completion of work filed MAY 23 1951 WITNESS MY HAND AND SEAL this 3rd day of AUG 20 1956

Cancelled  
If applicant fails to comply with the provisions of this permit

of November 1949
